Software Development

As part of a grant from the American Council of Learned Societies, I developed a mobile application to assist immigrants in accessing information about citizenship:

- Mobile Application: 100 USCIS Civics Questions: <https://apps.apple.com/us/app/100-uscis-civics-questions/id6478173322>
- Website Development: USCIS Preparation Support Website: <https://sites.google.com/view/us-citizenship-resources/home?authuser=2> Computational
